navIkarNa 2020

IEDC SVNCE is proudly announcing the hackathon among the students of SVNCE - **navIkarNa 2020**. navIkarNa offers a platform for students to experiment with their skills. The participants will have to identify a problem and submit a proposal that clearly defines the problem and describe the probable solution for the problem. navIkarNa 2020 will be the best experience a student can have apart from their academic's assignments. navIkarNa 2020 encourages students to participate in social problem solving and governance.

Apply here: <https://forms.gle/y6agYnrQci6ZUQN7>

Stages:

1. The participants will have to identify a problem and submit a proposal that clearly defines the problem and describe the probable solution for the problem. The project proposal needs to be submitted on or before **Jan 13th 2020**.
2. Based on the screening of project proposals submitted, shortlisted ideas will be published on the website on Jan **15th 2020**.
3. Selected teams will have to present their idea before a panel on **Jan 20th 2020**.
4. There will be prizes worth **Rs. 5000** waiting for the winners for prototype development and top performers can register for **Smart India Hackathon 2020**.

Key Point:

1. A team should contain 5 members.
2. Only students from SVNCE can apply.
3. Multiple submissions from teams are permitted, however separate registrations will be needed for multiple entries.
4. Submit the Project Proposals on or before **Jan 13th 2020**. Teams are encouraged to **think out-of-the-box and provide a creative solution to the problems**.
